

# CST Exam Preparation

## Certified Survey Technician 3-day Course

### The Certification

The Certified Survey Technician (CST) Exam is an industry standard examination for survey technicians recognized by the US Department of Labor. The Level III Field Construction Certification is required for crew chiefs working on MnDOT contractor staking projects. This class will focus on refreshing students' skills and preparing them for the Level III Field Construction exam; however, all levels may benefit from the instruction. The course will review several elements of the exam.

### Exam Elements

- Equipment and Instruments
- Field Operations
- Survey Computations
- Control Points
- Field Notes
- Office Operations
- Plan Reading and Preparation
- Principles of Profession
- Safety and First Aid
- Supervisory Skills
- Types of Surveys
