Job leads and graduates are from July 1, 2016 - June 30, 2017			
Jobs included in major specific ratios are in-field job opportunities; full time, part time, seasonal or internships			
If an employer is looking to hire more than 1 student, an inquiry is counted as the number of job openings for the job description			
Overlapping job inquires count as 1 job inquiry towards each major that could fill the position			
*An additional 250 job leads came from 3 companies not counted in overall total			
**First Mechanical Engineering graduating class scheduled May 2020			
***First Software Engineering graduating class scheduled May 2021
