

Youth Career Awareness Program (YCAP) Scholarship Application

The Youth Career Awareness Program (YCAP) scholarship is designed to empower high-potential, but under-served and under-resourced individuals from a diverse population. The program helps students graduate from high school and prepares them for life-long careers as leaders, managers, and technical professionals in their chosen field of study. YCAP's goal is to provide more women and students of color who come from disadvantaged backgrounds the opportunity to attend college.
