

February 15, 2010

To Whom It May Concern:

Please find enclosed the Association of Women Contractor's scholarship application. We encourage female students enrolled in construction related programs to apply for these funds.

AWC will award numerous \$1,000.00 scholarships in June 2010 to applicants who meet our criteria. These scholarships are formally presented at our Scholarship Golf Event scheduled for June 22, 2010 at the Braemar Golf Course in Edina, MN.

Qualifications for the scholarship(s) are:

1. **Female Student.**
2. Current Resident of MN or attending post high school education in Minnesota.
3. High School Graduate or GED or anticipated graduation in spring of 2009.
4. Construction Industry Major, including but not limited to: architecture, engineering, construction management, project management, and construction trade programs.
5. **Application post marked on or before April 1, 2010.**

If you have any further questions, please contact the AWC offices at 651-489-2221 or awcmn@awcmn.org.

Sincerely,

A handwritten signature in black ink, appearing to read 'Barb Lau Christensen', is written over the printed name.

Barb Lau Christensen
Executive Director

enclosure

The Association of Women Contractors (AWC) is providing scholarships for outstanding **FEMALE** students in or entering into architecture, design, engineering, construction management, trade and technical programs.

To apply for a 2010-2011 academic year scholarship, you must be a female student and a current resident of Minnesota or attending post high school education in Minnesota. Complete this application form and attach the following documents.

1. A copy of your high school diploma, GED or most current university or technical school transcript. A letter of anticipated spring 2010 completion will also be accepted with your transcript to date.
2. A "Personal Information" document that contains information that will assist AWC in assessing the merits of your scholarship application. The document should include the following information.
 - *Academic construction or engineering program and coursework completed or enrolled in. (Including craft and/or technical programs)
 - *Work experience (Including part-time and summer)
 - *Involvement in student and community organizations or activities
 - *Honors or awards you have received
 - *Statement of financial need
3. A career objectives document that outlines your current short and/or long-term career plans.

Application must be postmarked **by April 1, 2010** to be considered.
