

## **EVENING OF RECOGNITION**

## Thank you for the difference you've made!

onight is a night to celebrate the legacy and the future of Dunwoody College of Technology," stated President Ben Wright as he welcomed the crowd at Dunwoody's Evening of Recognition event on September 20. "What makes Dunwoody College of Technology special is that it creates opportunities for people. You are the ones that help us to make that happen. You all make a difference in the lives of our students."

Dunwoody's Evening of Recognition is held annually as a way to thank donors of the college, to honor alumni, and to serve as a reminder that giving back truly helps create a best-in-class learning environment for students. Alumni and friends were met by students, wearing yellow Dunwoody t-shirts, who gave attendees tours of the building and a glimpse of some of the additions that have been added over the past year.

# Thank You for the Difference You Make!

It was an evening of thanks as alumni and friends of the college mingled with each other and Dunwoody students during the annual Evening of Recognition event. Dunwoody's McNamara Center was transformed to provide a nice gathering space where guests were able to talk about why they choose to make a difference at Dunwoody. It was a time to reflect about the great things that have happened and will continue to come at Dunwoody.

Alumni of the college gave well-wishes and advice to the new class of Dunwoody students, a kind of passing-of-the-torch to end the evening.

### 2007 ALUMNI ENTREPRENEUR AWARD Jay W. Johnson, 1978 Electronic Systems

When NEI College of Technology and Dunwoody College of Technology merged in 2003, Dunwoody was fortunate to "inherit" alumnus Jay W. Johnson, an NEI graduate and successful entrepreneur. Johnson grew up in Minneapolis where his father owned three automotive service stations. This was Johnson's first introduction to Dunwoody as his father often hired Dunwoody graduates.

Johnson was an entrepreneur from the get-go of graduating from NEI. In 1997 he started Secure IT with a colleague, a leading provider of security services to the IT industry. The two later sold the company in 1998 for \$50 million to VeriSign. Since then, Johnson has been involved in other start-up companies and currently serves as an active angel investor, board member, and business developer at NTObjectives.com and CERTStation.com.

Johnson is committed to helping others succeed through education and active participation in the community. As an alumnus from Minneapolis Edison High School, he has established the Jay Johnson Family Scholaship Fund at Dunwoody which provides financial assistance to Edison High School students studying Electronics, Information Technology or Computer Networking Systems at Dunwoody.

Because of his successful career, entrepreneurial strides and philanthropic efforts, Dunwoody presented Johnson with its 2007 Alumni Entrepreneur Award during the Evening of Recognition event.

"

Dunwoody gives you the tools to solve problems. Dunwoody graduates are able to take those tools into the world and make something special of themselves.

Jay W. Johnson

# Introducing the New Dunwoody Recognition Hall and The Hub

Guests at the Evening of Recognition saw the new Dunwoody Recognition Hall and The Hub.

Dunwoody has given me
values — the value of
collaboration and confidence,
the value of help and support,
and the value of giving back.

Harlan Hallquist

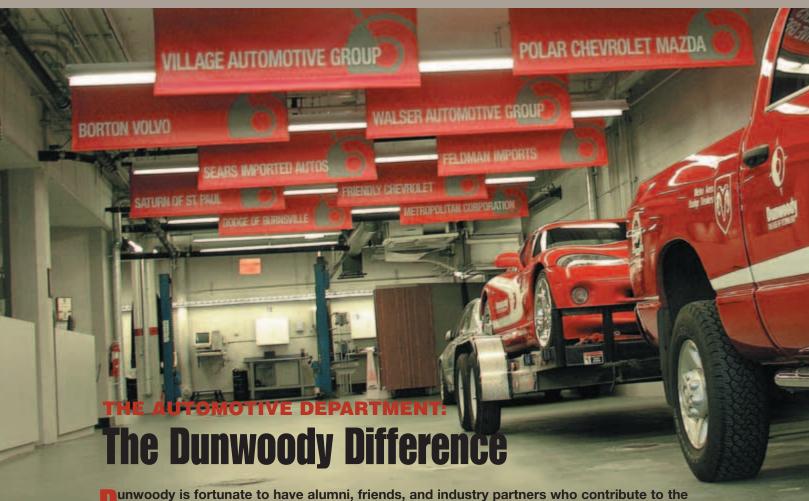

"

# 2007 ALUMNI ACHIEVEMENT AWARD Harlan Hallquist, 1968 Architectural Drafting & Estimating

Harlan Hallquist has always kept his ties with Dunwoody. Upon graduating in 1968, Hallquist maintained his relationship with Dunwoody by keeping active with the Alumni Association while building a successful career. In 2004, Hallquist was elected president of the Alumni Association's Board of Managers, a position he held until 2006. During his tenure as president, the Alumni Board of Managers started the Dunwoody Alumni and Friends Golf Tournament and scholarship, the 40-Year Club Reunion and scholarship, the Graduates of the Last Decade (GOLD) event, quarterly Alumni Association Graduation parties, and the Academic Achievement Award for graduating students.

Hallquist is vice president of marketing and business development for the North Central office of JE Dunn Construction in Minneapolis. JE Dunn is one of the largest construction firms in the nation with 17 offices across the country. In addition to his Dunwoody degree, Hallquist has an executive M.B.A. from the University of St. Thomas and a B.S. in Business Administration from the University of Minnesota.

Hallquist has been in the construction industry for over 30 years. Dunwoody is grateful for all he has given to the college and, thus, presented him with the 2007 Alumni Achievement Award during the Evening of Recognition. As he thanked the Dunwoody staff, alumni, and attendees, Hallquist spoke of the lessons he learned at Dunwoody and how they have shaped his life.

unwoody is fortunate to have alumni, friends, and industry partners who contribute to the college's annual fund and capital campaign in an effort to move its programs from *good to great*. Because of such contributions, programs like the Automotive Collision and Automotive Service programs continue to flourish. It is the time and effort from alumni and friends that contribute to the difference—the Dunwoody difference—that drives students to succeed in their programs and chosen career paths after college.

#### **AUTOMOTIVE COLLISION PROGRAM**

The Automotive Collision program at Dunwoody utilizes Inter-Industry Conference on Auto Collision Repair (I-CAR) training materials. Instructors in the program are both ASE

certified and I-CAR Gold professionals. Utilizing specialized tools and materials, students are taught the techniques used in straightening or replacing damaged body panels and structural components of cars. Students enrolled in the Automotive Collision program are also provided with:

- On-the-job training through the Automotive Collision Apprenticeship program
- Instructions on safety measures and procedures when dealing with paint and other hazardous materials
- Skills in mechanical and electrical repairs
- Access to the surrounding collision industry and partners of Dunwoody College of Technology

#### **AUTOMOTIVE SERVICE PROGRAM**

Students in Dunwoody's Automotive Service program receive excellent training and hands-on learning experiences. As a National Automotive Technicians

Education Foundation (NATEF) certified program, the Automotive Service program provides students with the skills they need to continue on in the field upon graduating from Dunwoody. All of the instructors in this program are Automotive Service Excellence (ASE)

certified, earning the classification of Master Technicians by the National Institute for Automotive Service Excellence. Students within the Automotive Service program are also given the opportunity to choose a specialty. Two tracks of learning, Toyota T-TEN and Honda PACT, are offered to students in this program.

## Automotive *Good to Great* Campaign Appreciation Lunch

Many of the companies that gave to Dunwoody's Good to Great Campaign's Automotive phase attended a luncheon event in appreciation for their Dunwoody support at the college. Dunwoody's renovations have played a key part in the increasing enrollment numbers for the Automotive Service and Automotive Collision programs with enrollment increasing to over 240 students. Morrie Wagener, CEO of Morrie's Automotive Group and Dunwoody Automotive Campaign chairman, hosted the luncheon event and commented that,

"Leaders in our industry have been significant supporters of Dunwoody and its Automotive program including Henry E. Warren, owner of Warren Cadillac,

who donated the land and building that Dunwoody's Automotive program is in today. And we can't forget Rudy Luther who gave a significant estate gift to Dunwoody, as well as GMADA and all the metro auto dealers who generously contributed to this project."

Morrie Wagener, CEO of Morrie's Automotive Group, member of the Dunwoody Board of Trustees, and 1957 Automotive alumnus.

#### **Chrysler College Automotive Program**

Dunwoody's Chrysler College Automotive Program (CAP) leads to an Associate's degree in Applied Science. As a long-time partner of the college, Chrysler provides many donations as part of CAP. In the past year, Chrysler has donated over \$250,000 in the form of cars, tools, equipment and supplies. In addition Dunwoody's CAP was awarded a \$12,000.00 grant from the Chrysler Grant Fund. Dunwoody was recently awarded with Chrysler's "Outstanding Achievement Award for Innovative Ideas" due to the success of this program.

#### **Toyota Technical Education Network**

Students in the Automotive Service program have the option of participating in the Toyota Technical Education Network, receiving both an Automotive Service Technology degree or diploma and a Toyota T-TEN Certificate. Dunwoody's T-TEN program was recently named as one of the top T-TEN programs in the nation.

#### **Honda Professional Automotive Career Training**

Dunwoody Automotive Service students also have the opportunity to participate in the Honda Professional Automotive Career Training program Upon receiving their Dunwoody diploma or degree in Automotive Service, students will be awarded a certificate from American Honda after participating in training and testing that is specific to Honda cars. Students will be on their way to becoming a Honda-certified technician.

In only its fourth year, the Dunwoody Alumni & Friends Golf Tournament saw record numbers in golfers and sponsorships at the September 14 event. Through generous contributions, Dunwoody was able to raise funds to award over 20 student scholarships.

Thank you to the Dunwoody Alumni & Friends Golf Tournament Committee. This year's committee included (I-r) Todd Legut, 1986 HVAC; Harlan Hallquist, 1968 Architectural Drafting & Estimating; Chris Swingley, 1981 Architectural Drafting & Estimating and committee chair; and J.J. Carbonneau, 1979 Electronic Systems Technology. Missing from the picture: Scott King, 2001 Architectural Drafting & Estimating.

Target was the Grand Sponsor at this year's tournament. "Target is proud to support Dunwoody College of Technology through this year's Alumni & Friends Golf Tournament. We know our contribution directly affects the lives of deserving students. We've seen first-hand how Dunwoody graduates benefit the community by becoming bright, hardworking, career-focused citizens," commented Marc Steadman, vice president of construction for Target. Steadman is pictured above with Christine Pierce, one of the 2007 Dunwoody Alumni & Friends Golf Tournament Scholarship recipients.

The winning foursome at this year's golf tournament was from Parsons Electric. Winners were (I to r): Jim Herlofsky (friend of Dunwoody), Chad Heid (1995 Electrical Construction), Jim Lawler (1989 Electrical Construction), and Dave Todd (1995 Electrical Construction).

#### **Save the Date for 2008!**

The 2008 Dunwoody Alumni & Friends Golf Tournament will be held on Tuesday, September 16 at the prestigious Legends Golf Club in Prior Lake, MN. Get your registration in before the early bird deadline of May 1, 2008 to receive a free golf polo. Cost is \$125 per golfer. Call Sarah Brown at: (612) 381-3056 for more information and to reserve your spot today!

## Student Scope

## Recipients of the Dunwoody Alumni & Friends Golf Tournament Scholarship

Raising scholarship dollars is a key component of Dunwoody's golf tournament. With the help of these scholarship dollars, students are able to concentrate on their best-in-class education. During this year's event, four students were awarded a \$1,000 Dunwoody Alumni & Friends Golf Tournament Scholarship. Because of the success of this year's tournament,

additional scholarships will be awarded throughout the year. Scholarship awardees included (I-r): Christine Pierce, Interior Design; Christopher Graham, Architectural Drafting & Estimating; Rhiannon Pankake, Interior Design; and Irina Herrmann, Food Technology.

"Attending Dunwoody for one year made me fall in love with this school and made me more driven and motivated to succeed in life. The education I receive at Dunwoody will help me to secure my future, to be a trained and intelligent member of society, and to be an example for others."

Irina Herrmann, Food Technology student

"Dunwoody has excellent instructors and job placement. My education through Dunwoody is teaching me the technical skills I need, and giving me an understanding of the industry."

Christine Pierce, Interior Design student

## YOU ARE POWERFUL: Kate Dunwoody Luncheon

The Kate Dunwoody Luncheon is held annually to recognize women at Dunwoody and give voice to their personal power and significance. The luncheon is also a time to honor Kate Dunwoody, who, along with her husband William Hood Dunwoody, provided leadership and influence in the Minneapolis community, including the establishment of Dunwoody Industrial Institute.

he keynote speaker at this year's Kate Dunwoody Luncheon was the inspiring Jearlyn Steele. Known in the Twin Cities community as a member of The Steeles, Jearlyn Steele is also a well-known speaker, radio talk show host, and TV entertainment reporter. She has recorded national and local commercials for Wilson Leather, Marshall Fields, Slumberland, Aveda and Target, among others. Her voice can be heard on various CDs for national artists like George Clinton, Mavis Saples and Prince. She has frequently appeared on "A Prairie Home Companion" radio show and can be seen in the films "A Prairie Home Companion" and "95 Miles to Go." She has received such awards as: Newsmaker of the Year by Minnesota Women's Press, The William (Billy) Griffin Award by the Hallie Q. Brown Center, 2002 Beautiful Strong Woman, and the 2006 CBS Radio General Managers Achievement Award.

The Kate Dunwoody Luncheon is a time to celebrate women leaders, instructors, staff, students and supporters of Dunwoody. Pictured (I-r) back row: Maria Rapopart, Interior Design student; Jennifer Larson, member of the Alumni Board of Managers and Architectural Drafting & Estimating alumna; Amanda Pomerleau, Architectural Drafting & Estimating student. Front row (I-r): Shelley Grevillius, Gateway director; Alana Sunness-Griffith, vice president of marketing, Empire House; Kristina Simms, Architectural Drafting & Estimating student.

Jearlyn Steele's radio talk show, Steele Talkin', can be heard every Sunday night at 7:00 p.m. on WCCO Radio 830AM. Steele is a mother of two and resides in Minneapolis.

## Kate Dunwoody

Kate Dunwoody shared in her husband William Hood Dunwoody's business interests and his concern for young people. She was a remarkable woman, respected for her service and philanthropy in Minneapolis, with a particular interest in the needs of women and children. Mrs. Dunwoody was influential in helping her husband establish Dunwoody Industrial Institute. In fact, it was she who threw the first switch to start the machinery in the old Central High School building, where the Institution was first located, in 1914.

Upon her death, a year after Dunwoody opened its doors, Mrs. Dunwoody bequeathed \$1.5 million (in addition to the \$3 million given by her husband) to Dunwoody Industrial Institute. She was a pioneer for women. As a young woman in the 1870's, she was not allowed to vote or own property, but she still made efforts to pave the way for women of the future

Dolores Fridge, a member of Dunwoody's Board of Trustees, emceed the luncheon event. Currently the chief resolution officer at Medtronic, Inc., Fridge has been a member of the Board since 2006.

Keynote speaker Jearlyn Steele (left) with scholarship awardees listed below in picture order.

### Scholarships for Women

Seven female Dunwoody students were presented with scholarships at the luncheon on October 4. Five of these students were awarded the Kate Dunwoody Scholarship for demonstrating a spirit of volunteerism and community service, following in the footsteps of Kate Dunwoody. Other scholarships awarded included the Bob and Mary Peck Scholarship (in memory of Donna Cooksey) and the Pam Spence Scholarship. Female students who received scholarships included:

**Irina Herrmann**, Food Science, volunteers at People Serving People as a meal server. According to her instructor, she is an outstanding student and eager to learn new technology

**Sarah Saumer**, Food Technology, volunteers by raising money for food to send to Africa. Her instructor says she is an effective leader, dedicated to her studies, and respected by her peers.

**Rhiannon Pankake**, Interior Design, volunteers for Dunwoody's Open House and other events. She is on the Dean's List and a member of Phi Theta Kappa Honor Society as well as a mother of two young children.

Janece Chambers, Automotive, enrolled in the Post Secondary Enrollment Option at Rockford High School and completed her last year of high school at Dunwoody where she made the honor roll. When asked why she wants to become a mechanic, she said that she's grown up around cars, her grandpa built General Motors cars, and her brother also goes to Dunwoody.

**Lee Maowee**, Web Programming alumnus and current B.S. in Applied Management student, has tutored children to learn, write and speak English as a second language in the Hmong refugee community. She is a member of Phi Theta Kappa.

**Janet Corio**, Heating Ventilations and Air Conditioning, works as a tutor in her program. According to her instructor, she is an outstanding student with natural leadership abilities.

**Tyshanna McKamie**, Architectural Drafting & Estimating, volunteers as a Special Olympics coach and works full-time at a group home for disabled adults. She is on the Dean's list and a member of Phi Theta Kappa Honor Society.

## **Coming Together through Alumni**

### NEI Alumni Reunion, August 2007 ^

NEI Alumni and friends gather annually at Dunwoody College of Technology to reminisce about their times at NEI and hear about new changes in the programs since the two colleges merged in 2003. NEI alumni were excited to welcome back Harry "the Axe", former instructor at NEI. Attendees at this year's NEI Alumni Reunion included: Charlie Anderson (1978), Paul Andreizchick (1987), Tom Elliott (1988), Charles Foster (2005), Chad Hartje (1997), Sheila Hruby (2004), Todd Kacalek (1988), Jean Long (1981), James Mills (1997), Gretchen Paulson (2003), Josh Paulson (2003), Todd Peteron (1988), Keith Price (1995), Gloria Satt (2003), Dan Sheridan (1997), Norm Stewart (1990), Dan Swengel (1995), Ben West (1997), and Mickey Young (1992). Former NEI staff and instructors, some of whom are alumni, include: Jody Bystrom, Jean Captin, Michael Johnson (1973), Tim Mendal, Mark Muelken (1976), Meg Anne Sims, Harry Wilcox (1965), and Mary Wood.

### Grand Rapids Alumni Event, August 2007 >

Dunwoody alumni enjoy the Grand Rapids Alumni Gathering that is held for alumni living or vacationing in the area. This year's event attendees include: John and Betty Adamich (1954 Automotive Service), Bradley and Shelly Belich (1988 Machine Tool), Dennis Brown (1963 Civil Technology & Land Surveying), Steve and Lynette Bryant (1968 Electrical Construction), Earl Coil and Wesley Carlson (1956 Electrical), George and Beverly Damjanovich (1953 Carpentry), Stan and Millie Grunenwald (1960 Architectural Drafting & Estimating), Ken and Hazel Hanson (1949 Electrical Construction), Bob Holmbeck (1967 Electrical Construction), Russell and Judy Hukriede (1954 Electrical Construction), Wayne and Kathy Kamphaus (1956 Architectural Drafting & Estimating), Steven Kovacovich and Larry Carlson (1969 Automotive Service), Will and Mary Laraway (1951 Architectural Drafting & Estimating), Allen and Georgianne Larson (1960 Automotive General), Bruce and Ingrid Lestico (1970 Auto Electrical), Lawrence Minerich (1967 Architectural Drafting & Estimating), Dick Nick (1965 Electrical Construction), Olaf and Carlene Norberg (1957 Electrical Construction), Joe and Hazel Nosie (1953 Architectural Drafting & Estimating), James Rebel (1968 Air Conditioning), Gary Schulz (1965 Electronic Systems), Dennis and Kathy Simonson (1961 Electrical Construction), and Bob Volkert (1957 Electronic Systems). acquaint

## **Events**

Dunwoody College of Technology hosts events for alumni throughout the year as a way to reminisce, reacquaint and reconnect.

#### Rochester Alumni Gathering, September 2007 ^

Dunwoody alumni attended the Rochester Alumni Gathering at the Willow Creek Country Club. Guests included Glen Briske (1973 Refrigeration), Robert and Joan Erickson (1965 Machine Tool), Tom Fournier (1964 Engineering Drafting & Design), John and Jean Kelly (1948 Electrical Construction), Ron Kreinbring (1967 Architectural Drafting & Estimating), Gerald and Joan Krzmarzick (1956 Radio and TV Repair), Harold and Bonnita Luhmann (1973 Electrical Construction), David and Shirley Meyers (1967 Electronic Systems), LaVern Olson (1956 Architectural Drafting & Estimating), Gordon and Joan Olson (1955 Electrical Construction), Mike Prenzlow (196 Automotive Service), Harry and Jeanne Samways (1941 Electrical), Jerry and Helen Shore (1965 Machine Tool), Richard and Margaret Spaniol (1947 Electrical Construction), Gary Threinen (1964 Machine Tool), Cliff and Delores Voxland (1950 Carpentry), Joseph Weis (1952 Architectural Drafting & Estimating), Myron and Virginia Wentzel (1955 Radio and TV Repair), and Ross Capelle (2006 Electrical Construction & Maintenance).

Do you have a story to tell? Have you recently been married? Had a baby? **Retired? Received** a promotion? **Moved? Send anv** and all alumni news updates and/or pictures with captions to: kchristopherson@ dunwoody.edu or **D**unwoody **Alumni** Department, Attn: Kat Christopherson, 818 Dunwoody Blvd., Minneapolis, MN 55403. (612) 381-3064

#### 1954

Russ Hukriede (left). Electrical Construction, came from Grand Rapids. Minnesota to see his name on the Alumni & Friends Walkway, a gift from his daughter, Diane Wattenhofer. Upon graduating from Dunwoody, Hukriede worked for IBM until his retirement in 1989. He currently lives in Grand Rapids with his wife, Judy. The couple has two daughters. Debbie and Diane, and two grandchildren, Ben and Britny. Hukriede's hobbies include hunting, fishing, working at his cabin, bowling, horseshoes, cribbage, and volunteering his time at church.

#### 1984

Steve Mowery, Computers, was unable to attend the NEI Alumni Reunion, but sent his regards to his classmates in '83 and '84. He apologizes for the red face in the picture, but says it has been about 122 degrees and windy where he is. Mowery was on assignment in Iraq at the time of this newsletter publication. He is pictured above in a helicopter. Mowery is the Southwest Asia and Africa manager for General Dynamics' Information Technology Intelligence Solutions Division.

#### 1979

Lynn Brekke, Architectural Drafting & Estimating, was elected president of the Council of American Structural Engineers of Minnesota in July. Brekke is also president and structural engineer for La Pas Design, LTD.

#### 2002

Classmates Amanda Johnston and Corey Bass (both from the Architectural Drafting & Estimating program) were wed on August 25, 2007. The couple ran off to Chicago, IL, where they had a small ceremony performed at the end of Navy Pier.

**Greg Buck, president of** Productivity, Inc., was awarded the Everett A. Hansen Award at this year's **Technical Advisory Appreciation Dinner. This** award is presented to an individual who has given of his or her time in an effort to enhance the Dunwoody experience for students, and who represents the hard work and talents of all of the industry leaders. Buck was instrumental in establishing **Dunwoody's HAAS Technical Education Center. the first of** its kind in the state.

### Do you know a prospective **Dunwoody student?**

A son or daughter? A grandchild or relative? How about a friend or neighbor? If so, have them contact the admissions department at: (612) 374-5800. An admissions counselor will be able to give them the information they need on how they can achieve their goals through **Dunwoody!** For a complete list of programs, see page 16.

### **A Family of Dunwoody Graduates**

John Stachnik (2007 Automotive), a recent graduate of Dunwoody, is pictured (left to right) with his uncle Dean Miller (1984 Automotive) and his two great uncles Mark Esch (1966 Highway RR&MC) and Odell Bratland (1949 Automotive). Stachnik is employed by Fire Stone, Minneapolis. Miller was employed by the F.B.I. from 1984 to 1996, after which he formed his own company, Auto Check. Esch, a retiree after 26 years with the Army National Guard, was employed by the Hennepin Co. Highway Department after graduating from Dunwoody. He received his B.S. in 1972 and his MBA in 1987. He is currently employed at SuperValu, Inc. in Shakopee. Bratland, now living in Florida during his retirement, was employed by Dunwoody about ten years prior to his employment with Arabian American Oil Company (ARAMCO).

## Do You Have a History of Dunwoody Graduates in Your Family?

Do you have generations of Dunwoody graduates in your family? A father, grandfather, uncle, brother, or sister? How about a son, daughter, or grandchild? If so, let us know since planning is underway for Dunwoody's first multi-generation alumni gathering. Call Becky Seemann at: (612) 381-3057 or email bseemann@dunwoody.edu with your contact information.

## Leave a Legacy to Future Generations of Dunwoody Students

#### Include Dunwoody in your Will

If you desire to remember Dunwoody in your will, you and your attorney will need to know the legal name and address:

Dunwoody College of Technology 818 Dunwoody Boulevard Minneapolis, MN 55403

The following sample provisions may also be useful to you and your attorney:

#### **Special Bequest**

I give, devise and bequeath \_\_\_\_\_ (insert sum, percentage of estate, or description of property) to Dunwoody College of Technology, a Minnesota nonprofit corporation.

#### **Residual Bequest**

I give, devise and bequest all of my property which I may own at the time of my death, real, personal and mixed of any nature, which shall remain after payment and distribution of the items described above, to Dunwoody College of Technology, a Minnesota nonprofit corporation.

For questions, contact Becky Seemann at: (612) 381-3057 or bseemann@dunwoody.edu.

Norwood and Muriel Nelson (above) along with Evelyn Henry (right) were inducted into the Dunwoody Legacy Association at the annual luncheon held in October. Dunwoody is grateful for their future commitment to help Dunwoody students.

## tr's an Alumni Reunion for Dunwoody's Automotive programs

Thursday, May 1, 2008

Education Hour and 5:00 p.m. Building Tours

Social Hour 6:00 p.m. Program 7:00 p.m.

- Come see what is new in your program
- > Listen to an industry speaker
- > Reminisce with fellow alumni

Watch for your invitation in March

For more information, contact Sarah Brown at: (612) 381-3056 or sbrown@dunwoody.edu

#### **Alumni and Business Owners Career Fair**

Dunwoody's Career Services Center hosted an Alumni and Business Owners Career Fair for current Dunwoody students in October. Students visited different company booths to apply for jobs and get a feel for what they could possibly achieve someday. Fifteen companies participated, 13 of which were owned or operated by Dunwoody alumni. The participating companies included: Automated Extrusion Tooling & Design; Countryside Heating & Cooling Services, Inc.; CRTechnical Staffing; Egan Companies; Hunt Electric Corporation; Identifix; Metal Craft Machine & Engineering; Minneapolis Oxygen Company; Morrie's Automotive Group; MTEC Electric Inc.; PMR Sales; Steel Structures; The Dynamic Group; Total Mechanical Services, Inc.; and Veit.

#### Dear Friends,

Throughout our 93-year history, Dunwoody College of Technology has enjoyed many accomplishments, and the past year was no exception. Since William Hood Dunwoody's founding of the school in 1914, the goal has been unwavering: to provide quality, applied learning experiences to students interested in technical occupations and careers regardless of their race, creed or economic status.

The 2006-2007 school year was an exciting one, bringing important progress to the college in multiple areas. Highlights included:

- A positive "quality check-up" from the Higher Learning Commission
- An employment placement rate for graduates of 98%
- Student retention that moved from 76% to 80% due to the opening of two new on-campus resources: the Elftmann Student Success Center and the Wenda W. & Cornell L. Moore Multi-Cultural Center
- New Graphic Design, Interior Design, and Food Technology programs
- The launch of Dunwoody's first four-year degree program, a B.S. in Applied Management
- The Good to Great Campaign, funding many of the college's new initiatives, reached the \$23 million mark

One of the college's major initiatives of the last few years has been to diversify its student body, to meet employers' demands for a more diverse workforce, and to better reflect the demographics of the Twin Cities community. During the 2006-2007 school year, students of color, for the first time, exceeded 20% of the student population. Most dramatic, Dunwoody established a new public vocational/technical charter high school in north Minneapolis. On August 6, 2007, this high school, named Dunwoody Academy, opened its doors to 200 freshmen and sophomores at a facility on Olson Memorial Highway, just a few blocks north of the college. The expectation is that in three years this high school, sponsored by the college, will send its first graduates on to Dunwoody College of Technology in one of four technical areas: Construction, Manufacturing, Automotive, or Health Care.

Dunwoody's contributors, business partners, alumni, volunteers, and friends are all helping move Dunwoody College of Technology from good to great. None of the accomplishments of the last year would have been possible without your support.

Thank you for making a difference in the lives of current and future generations of students.

Sincerely,

Dr. C. Ben Wright, President

#### **VISION**

To be recognized as the best-in-class leader and innovator in learner-centered workforce development.

#### MISSION

To provide leading-edge technological education and service to a diverse population of learners preparing for and practicing in business and industry.

#### **DRIVING FORCE**

**Graduates Who Are Worth More** 

#### **CORE VALUES**

- · We value practical, applied learning.
- We believe in instilling a strong work ethic.
- We are committed to providing our students with high-quality technical education that results in an immediate job and a fulfilling career.
- We are committed to continuous quality improvement.
- We value a diverse faculty, support staff, and student body and their unique contributions to an inclusive Dunwoody community.
- We value high performance within an environment of trust, respect, teamwork, and personal accountability.

### 2006-2007 Dunwoody Contributors

As a private, tax-exempt organization, Dunwoody College of Technology could not prosper without support and gifts from individuals, corporations, foundations, and other community organizations. This list of contributors honors those organizations and people who gave to Dunwoody from July 1, 2006 through June 30, 2007. Each of these contributors deserves our deepest thanks and appreciation. Businesses owned or operated by Dunwoody alumni are identified with an \*. The names of alumni contributors are followed by their year of graduation or last enrollment. The names of current employees of Dunwoody College of Technology are followed by an S; the names of retired employees are followed by an R. If your name has been inadvertently omitted or misspelled, or if your company is alumni-owned or operated and has not been so indicated, please accept our sincere apologies. Please bring the oversight to our attention by calling the Development Office at (612) 381-3052.

Dunwoody dedicated the Alumni and Friends Walkway on August 18, 2007. Gib Syverson, 1974 Automotive alumnus, has led the effort with 100 bricks on the walkway outside the Carlson Commons entrance. The next installation is scheduled for April 2008. Place your order today. Visit www.dunwoody.edu/donate or contact John Chandler at: jchandler@dunwody.edu or (612) 381-3061.

More than 450 students from area high schools in the Twin Cities visited Dunwoody on January 5, 2007 to learn about different careers during Career Jam, an event sponsored by the Twin Cities North Chamber of Commerce. The event also provided a post-secondary resource fair held in Dunwoody's Decker Auditorium.

Rafelene Johanneck (center) learned how her gifts to the William F. "Tiny" Johanneck Scholarship Fund made a difference to scholarship awardees Jeremy Williams (left) and Matt Brust (right). Mrs. Johanneck established the fund in memory of her husband, Tiny Johanneck, a 1953 graduate in sheet metal, who passed away in 1995. Tiny was deeply committed to Dunwoody throughout his life. Through their scholarship fund, she continues Tiny's legacy, and continues to be active at the college today.

The Wenda W. and Cornell L. Moore Multi-Cultural Center was dedicated on December 4, 2006. Celebrating cultural diversity, the center supports Dunwoody's on-going diversity goal: "To create and sustain an environment that encourages and nurtures diversity at Dunwoody College of Technology."

Dunwoody Academy, a new charter school sponsored by Dunwoody College of Technology, opened its doors on August 6, 2007. The Academy provides technical education to Twin Cities youth under the platforms of Manufacturing, Construction, Automotive and Heath Care.

Jeffrey M. Ylinen Dean of Learning

## **Ways to Give**

Over 85% of Dunwoody students receive some type of financial assistance.

Dunwoody is able to subsidize part of the tuition and offer financial aid to students because of contributors like you. Philanthropy takes all types. Below are just some of the ways to make a gift to the college. For additional information on how you can make a difference in the education of Dunwoody students, contact the Office of Development and Alumni Relations at: (612) 381-3064 or visit www.dunwoody.edu/donate.

#### **ANNUAL FUND**

Contributions to Dunwoody's Annual Fund make it possible to subsidize student tuition by keeping operational costs as low as possible. Annual Fund gifts can now be made through automatic withdrawal, check, credit card payment or via the Web. Dunwoody also encourages those who have matching gift programs through their companies to take advantage of those programs. Contact Mary Meador at (612) 381-3048.

#### **CAPITAL GIFTS**

Dunwoody is in the midst of its \$30 million *Good to Great* Campaign. Gifts made to the campaign help to maintain and create new facilities to provide Dunwoody students with a best-in-class learning environment. The college also has been awarded a challenge grant from the Bush Foundation that promises to match up to \$550,000 on all gifts from alumni and individuals of \$50 to \$250,000 made by June 30, 2008. These monies will go toward capital improvements, endowed scholarships, and new construction projects on campus. For specifics on Dunwoody's *Good to Great* Campaign and the Bush Foundation challenge match, contact Mark Skipper at (612) 381-3054.

#### **SCHOLARSHIPS**

Dunwoody scholarship contributions can be made in a variety of ways, whether it be to Dunwoody's General Scholarship Fund or to an Endowed Scholarship in the name of a loved one. Dunwoody scholarships are offered in many different varieties, including program-specific, need-based, merit-based, and organization affiliations. Dunwoody students are grateful for the scholarship support they receive to pursue their Dunwoody education. Contact Randy Sims (612) 381-3053.

#### **ALUMNI AND FRIENDS BRICK CAMPAIGN**

Preserve your spot in Dunwoody's history by placing a brick order today. Your brick will be displayed in Dunwoody's new Alumni and Friends Walkway outside the Carlson Commons entrance. The Alumni and Friends Brick Campaign efforts are being led by Automotive alumnus Gib Syverson. Contributions to the Campaign go to support Dunwoody's capital initiatives. To place your brick order, visit www.dunwoody.edu/donate or contact John Chandler at (612) 381-3061.

#### **WILLS AND ESTATE PLANS**

Dunwoody is proud to have over 100 current members of the Dunwoody Legacy Association, made up of alumni and friends who have made provisions in their wills or estate plans for the college. Your will is more than just a legal document. It reflects your personal values, love and concern for family, friends, and your community. One way to show your love and concern for others is to include a bequest to charitable institutions such as Dunwoody. A bequest can be a lasting memorial to your values and will make a difference in future generations of Dunwoody students. Contact Becky Seemann at (612) 381-3057 for additional information.
